Dear Judge Cote:

As Your Honor is aware, we represent Plaintiffs in the above referenced matter. We seek clarification regarding Your Honor's decision of the Conditional Certification motion. Specifically, Plaintiffs sought the email addresses and telephone numbers of all potential opt-in plaintiffs. Defendants failed to provide this information. When contacted, Defendants did not believe they were obligated to produce this information. As such, we write to request that such information be provided by Defendants as soon as possible so that notice can be facilitated through e-mail with confirmation of the receipt of such notice using the individuals' telephone numbers. If you have any questions relating to this request, we are available for a phone conference. Thank you in advance for your consideration of this issue.
